

MA CENTER CHICAGO GREEN FRIENDS PRESENTS

# SUSTAINABLE FRUIT TREE CARE

FROM THE GROUND TO THE CROWN

SATURDAY MARCH 7TH 8AM-4PM

*A blend of classroom learning and  
outdoor hands-on training*

- Establishing a small-scale home orchard
  - Trees and site selection
- Control methods for pests and disease
  - Multi-faceted tree care
  - Pruning techniques

Dress for the weather; we plan to spend a few hours outdoors.  
Note: Must be able to walk short distances on uneven ground.  
Supplies: hat, water bottle, hand pruning shears (optional)

Registration fee: \$75/person, includes breakfast & lunch  
(Registration deadline March 1st)

**INSTRUCTOR** Zach Engelking holds a B.S. in Natural Resources and is an ISA Certified Arborist. He has worked in tree care for nearly 20 years and currently manages the Division of Arboriculture for EC3 in Madison, WI.  
In his free time, Zach enjoys volunteering with international agroforestry projects and tending to his hobby orchard at home.
