

# Ganesh Chaturthi

## Details for Virtual Participation

Aum Amriteshwaryai Namaha

This year's Ganesh Chaturthi Festival will be held in person with the option to participate virtually at home. If you are participating virtually, please see below for details about making your Ganesh *murthi* and setting up your home puja.

### **Supplies Needed**

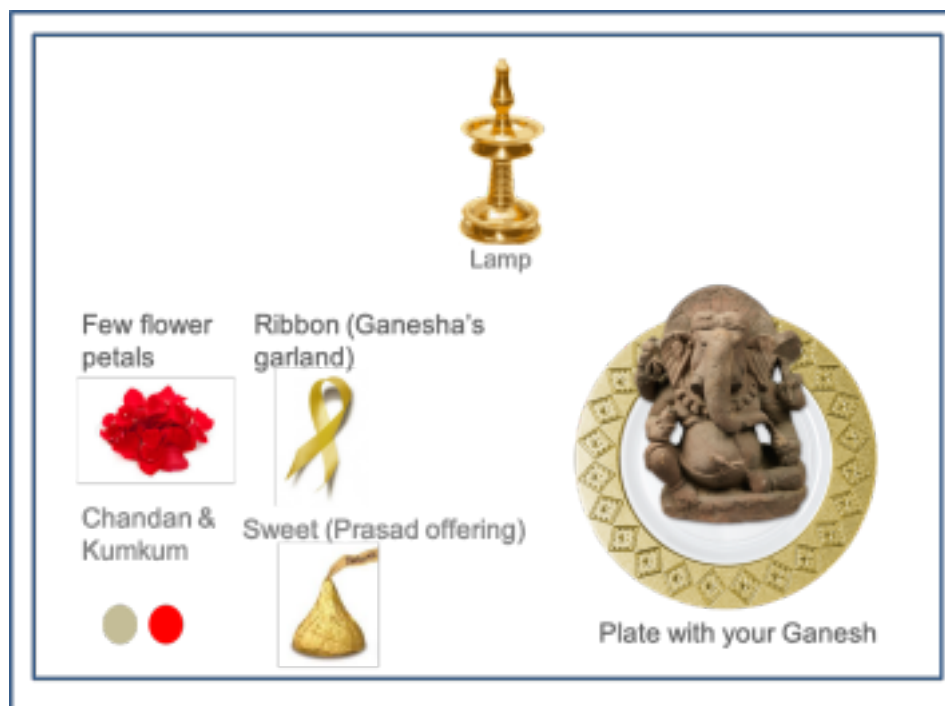

#### **Supplies for making Murthis**

You will need a small piece of clay or homemade modeling dough. As much as possible, please use natural, eco friendly materials. Small amounts of clay can be obtained at craft stores.

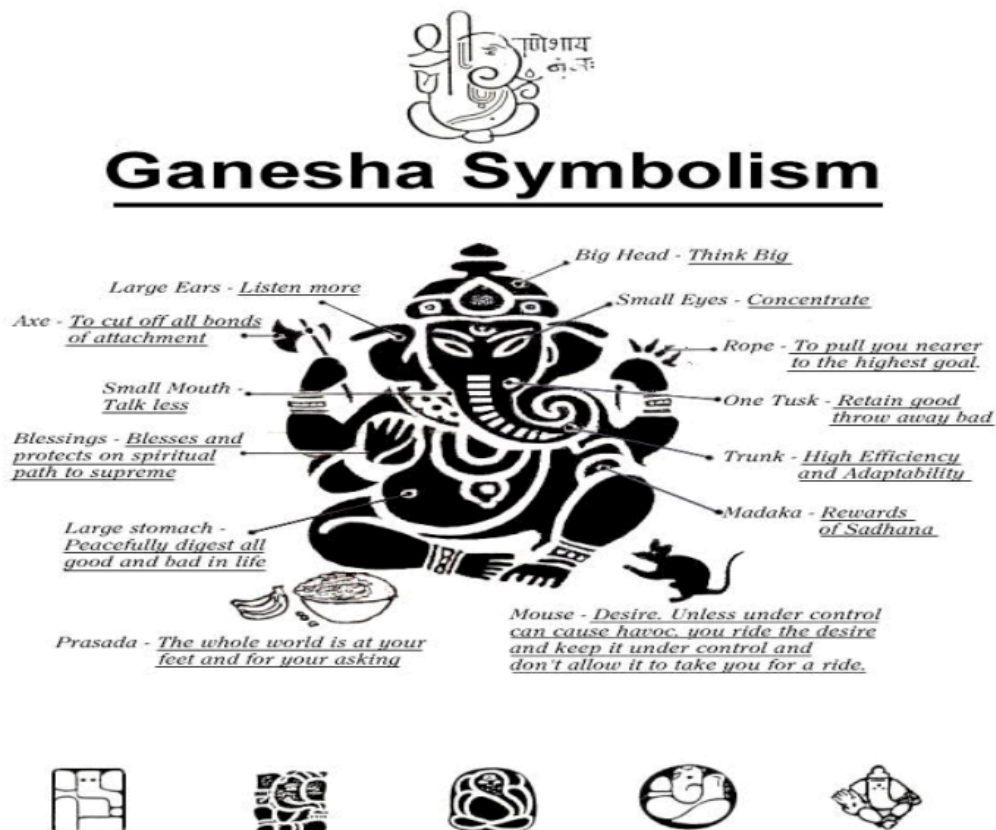

Here is a link to some recipes for making homemade modeling dough with flour, etc. [How to Make Modeling Clay Out of Flour and Oil](#). See below for ideas and resources for making your murthi.

#### **Supplies for performing Puja**

1. A piece of yellow string, thread, or ribbon that will be placed around the Ganesha as a garland. You can also make a small garland at home with flowers if you prefer.
2. A sweet to offer as prasad after the puja – chocolate kisses or any other sweet is fine.
3. A small amount each of sandalwood paste and kumkum (ceremonial red powder). These can also be mentally visualized.
4. A plate or tray to place the Ganesh on for the puja
5. A small lamp or candle that can be lit for the puja
6. A few flower petals if you have access to flowers. This can be mentally visualized.
