

Amma Canada

Harshavardhan (Harsh) S.

Harsh will be starting his first year at University of Toronto's Psychology program. He aspires to continue his education towards med school with specialization in pediatrics. He is currently working part time at a catering company. Harsh has volunteered many hours at community centres and day camps for kids. He enjoys being active and likes to play basketball and skateboarding.

Simranpreet S. (attending)

Simranpreet is enrolled at Sheridan College for her second year in the Child and Youth Care program. Upon completion of the diploma she would like to work with youth and use her own experience to help them through challenging times. Simranpreet has experience with working as a camp leader with the City of Mississauga and has volunteered her time at local organizations.
